

Journey Toward Smiles

*A person how is naturally so
much vulnerable must not be teas
by it earth.*

*According to the slogan of
humanitarian sector it should be
assisted by means so is to prove
the slogan of this sector.*

Happiness was apparent from the sparkling eyes and smiling faces of them when they received wheel chairs and crutches with the efforts of EHSAR protection Team. Their dreams for a happy life got fulfilled and access to life save assistance ensured with the struggles of EHSAR protection team working at Tough Sarai camp.

EHSAR team always tried to distribute smiles on the hopeless faces of IDPs. IDPs displaced from their homes seem to be disappointed about their life specially those who have physical disabilities. Such persons with specific need are soulless in spite of the soul in their body. A little ray of hope can brings boundless joy for them. This is all about those 16 persons with disabilities who got crutches and wheel chairs from Handicap international through EHSAR Protection team. In this regard EHSAR protection team conducted assessment and identified Persons with disability (PWDs) in camp and also assessed specific needs and referred them through established referral pathway to different agencies and protection cluster for assistance devices. Through protection cluster EHSAR protection manager shared the PWDs list along with their details assessment report with Handicap international for assistance devices. EHSAR also held meeting with handicap international regarding these PWDs. Handicap informed EHSAR management about the available stock. EHSAR protection team again conducted a detailed assessment of PWDs on ground and highlighted their specific need. On dated 13th April 2015 Handicap international donated seven wheel chairs and nine crutches to EHSAR foundation for distribution among the PWDs of Tough Sarai Camp according to their Specific need.

Pictorial View of PWDs assessment

On 15th April 2015 EHSAR protection Team distributed the donated wheel chairs and crutches in the presence of EHSAR protection Manager, Camp administrator (PDMA), shura members and other active partners working in Tough Sarai IDP Camp. Total of sixteen PWDs were facilitated consisting of five females, seven males and four children with assistance device.

The best way of
worshiping god is to
allay distress of time
and to improve the
condition of mankind.

Pictorial View of assistance devices distribution

At the end Camp Administrator, active partner, Shura members and beneficiaries appreciated EHSAR protection team efforts and also thanked Handicap international for helping persons with specific need. EHSAR Protection team added that they will raise the voices of people with full devotion and spirit in future.
